

ST. LOUIS METRO ADVENTIST CLINIC HEALTH & SAFETY GUIDELINES

- To ensure the health and safety of everyone we will continue to maintain health and safety protocols like, wearing a mask, social distancing and sanitizing hands.
- Anyone who feels ill and is symptomatic (i.e., fever, cough, congestion, sore throat, diarrhea, or loss of taste/smell) should NOT attend the event.
- Signs are posted to encourage social distancing, i.e., (No hand shaking hugs and “holy kisses.)” Outside of examinations our clinic is a contact free space.
- Hand sanitizer has been placed in high traffic areas.
- Guests will be screened upon entry to the building with screening questions and temperature checks.
- Gathering in the lobby and/or other communal areas is prohibited until further notice.
- While on clinic grounds masks shall be worn. A mask will be provided if anyone does not have one.
- A record of everyone in attendance will be taken for contact tracing purposes.
